

## **Suncoast Partnership to End Homelessness and Continuum of Care Leadership Plan**

The Suncoast Partnership to End Homelessness and the Continuum of Care (CoC) Board of Directors has decided that the Continuum of Care and its' lead agency, the Suncoast Partnership to End Homelessness will take an even greater leadership role in the communities of Sarasota and Manatee Counties on issues related to abating homelessness. Specifically, the Partnership will work with others in the community to:

1. Create a Leadership Board for the CoC, bringing funders, decision makers and community leaders together to assure the entire Continuum of Care works together toward a common strategic plan.
2. From this CoC Leadership Board, a Funders committee will be established to review the implementation of the strategic plan and its funding.
3. Documents for the governance and operation of the CoC and the Suncoast Partnership to End Homelessness under the new Leadership Plan will be developed and these documents will be implemented once approved by the full membership of the CoC, and the current Board of Directors.
4. A new Chief Executive Officer that will recruited with the skills, experience and proven leadership abilities needed to lead the communities' efforts to end homelessness and provide direction for the Partnership.
